

"To achieve high quality telecommunications services at OECD benchmark prices for Australian businesses."

## ATUG 2010 NBN Wholesale Services Definition Framework Forum

### Sydney

Friday January 29, 8:30am for 9am to 11am  
Maddocks, Level 21 Angel Place, 123 Pitt St

The Communications Alliance set up its NBN Project to assist the communications industry address requirements arising from the Government's policy on the National Broadband Network (NBN).

This document has been developed by the Wholesale Services working group of the Communications Alliance National Broadband Network (NBN) Project. It provides a framework and template for the definition of wholesale services that may be available on the NBN and potentially by other Broadband Infrastructure Providers (BIP) including Broadband Access Providers (BAP) and Broadband Backhaul Providers (BBP).
