

The logo for 'activ8me' is centered in the upper half of the slide. It features the text 'activ8me' in a bold, sans-serif font. The number '8' is highlighted in orange, while the other letters are white. The text is contained within a dark blue, irregular shape that has a bright white glow around its edges, making it stand out against the dark blue background.

*\$0 cost installation for Australian Broadband Guarantee (ABG) and for standard installation only. A standard installation includes a 60cm satellite dish and a single story roof mount and costs \$2000 from a registered installation depot. Additional costs may apply for non-standard installation. Under the ABG Program you must be an Australian resident or small business who is unable to access terrestrial metro-compatible broadband services at your principal residence or work location to be eligible to receive a subsidised satellite service. activ8me is brought to you by Australian Private Networks (APN) Pty Ltd ABN 27 103 069 552. ©2011
